

THE FARMERS CLUB

ESTD LONDON 1842

A FASCINATING NEW HISTORY

Ideal as a Christmas present – this wonderful new history of The Farmers Club, tracing the 175 years from its very first beginnings in 1842 to the 175th Anniversary Celebrations in December last year, is now available.

The Farmers Club 1842-2017 uses original research and abridges three previous histories to provide a delightful insight into a truly unique organisation. Through its pages readers discover the Club’s rich history, its profound impact on the farming industry, and the emergence of a fine fellowship with its heart in the countryside, and a Club in central London.

Beautifully bound in a dark blue hardcover, with gold embossing, the easy-reading text is supported by historic portraits, and a wonderful colour section showcasing the current Club and its many activities.

Copies can be purchased at Reception or ordered using the form below. Price £25.00. **Please order promptly to avoid disappointment.**

“The Farmers Club 1842-2017” beautifully captures the essence of all the Club stands for.
